## C FINDING ACCOMMODATION

### 1. Where to look

Finding accommodation before you leave is highly recommended or even essential! The ideal time to look for accommodation is between late June and mid-August.

HERE ARE SOME USEFUL POINTERS FOR YOUR ACCOMMODATION SEARCH :

## ACCOMMODATION GUIDES

These contain details of lots of student accommodation partners (student residences, university accommodation, private rentals, short-term accommodation, etc.) and plenty of tips and advice.

- [Trouver un logement en Occitanie 2019-2020](#) [accommodation, private rentals, short-term]
- [Guide InfoCrous 2018-2019](#) [CROUS information guide 2018-2019]
- [Le guide du logement étudiant à Montpellier 2018/2019](#)  
[Guide to student housing in Montpellier 2018/2019]

CROUS (Centre Régional des Œuvres Universitaires et Scolaires) provides services and support for students throughout their time at university: accommodation, bursaries, catering, etc.

The CROUS international student service offers accommodation in university halls/residences (virtual tour at [www.crous-montpellier.fr](http://www.crous-montpellier.fr) > logement > nos cités/résidences universitaires).

Renting a room in a university hall costs between 154 € and 247 €, depending on the standard of room. Renting accommodation in a residence costs at least 310 € per month, depending on the size.

### → Admission criteria

**Only students who meet the following criteria will be given accommodation in a university hall:**

- > Registered for study on a course at least equivalent to a 1<sup>st</sup> year Master's degree, or at one of the following institutions: Grande École, preparatory class, IUT, Senior Technician Section (not private institutions).

Students must include with their application a rental bond from a person physically resident in France. If the student does not have a guarantor in France, the **Visale** scheme can be used to provide a rental bond and to finance the deposit (see page 12)

### → How to submit an application

You must visit the CROUS Montpellier website:

[www.crous-montpellier.fr](http://www.crous-montpellier.fr) **from 15 January (check the closing date on the CROUS website).**

Once you have submitted your details on the website, you will receive an application pack by email, which you should print and return with the supporting documents to the following address:

Centre de numérisation du Crous de Montpellier-Occitanie : **TSA 14009 - 59901 Lille cedex 9**

#### **IMPORTANT:**

This address in Lille is the only address you should use to send applications and supporting documents. Applications should NOT be returned to Crous Montpellier.

### → Accommodation applications

You must submit your accommodation application within 2 weeks of receiving it, along with the supporting documents required:

- photocopy of your entire passport
- photocopy of the last qualification you gained
- photocopy of your last school attendance certificate (or if you do not have one, evidence of pre-registration at a higher education institution in France).

You will receive a reply by email (you must provide an email address that will be valid throughout the academic year) once your application has been examined. The response will be based on the admission criteria. Accommodation is allocated for an academic year according to the number of places available. If there are not enough places for everyone who applies, the remaining students will be placed on a waiting list.

If you are offered accommodation by CROUS, you must:

- Pay the deposit online at [www.crous-montpellier.fr](http://www.crous-montpellier.fr) (link: reservation centre). Keep the payment receipt, which you will be asked to produce when you sign your tenancy agreement at the international student service.
- Provide a rental bond from a person resident in France or the approval issued by the Visale scheme.

FOR MORE INFORMATION, GO TO [WWW.CROUS-MONTPPELLIER.FR](http://WWW.CROUS-MONTPPELLIER.FR) / LOGEMENT / AIDES AU LOGEMENT

## GOOD TO KNOW

APPLICATIONS ARE ASSESSED ACCORDING TO THE LEVEL OF STUDY, THE DATE OF SUBMISSION OR RECEIPT BY POST, AND THE NUMBER OF PLACES AVAILABLE. EVEN IF YOU FULFIL THESE CONDITIONS, CROUS CANNOT GUARANTEE THAT YOU WILL BE ALLOCATED ACCOMMODATION BECAUSE THE NUMBER OF PLACES IS LIMITED.

## 4. Useful information when looking for accommodation

### → 7 ESSENTIAL TIPS !

- **Set a budget** for your rent, taking account of location and size of accommodation and your everyday costs (shopping, transport, leisure, etc.)
- **Prepare several rental documentation files:** When you're looking for accommodation, you need to be reactive. To put luck on your side, prepare several rental documentation files and take one with you to each viewing. If you like the accommodation, you can submit it on the day.
- **Choose the location of your accommodation wisely:** Looking for accommodation near your college or university or your everyday activities is usually recommended, to reduce travel time.
- **Consider renting furnished accommodation:** furnished accommodation means you have a minimum amount of equipment such as a bed, a cooker, a fridge, a table, etc.
- **Choose a student residence:** these residences are reserved for students and offer useful features: close to campus, furnished, good value, on-site café or laundrette, etc.
- **Consider sharing:** flat or house shares have many advantages, particularly that you can share not only the cost of rent but also internet and food costs.
- **Do not pay any money until the tenancy agreement has been signed.** The deposit is 1 month's rent excluding charges (for furnished accommodation it can be as much as 2 months' rent excluding charges, but never more than that). It is paid when the tenancy agreement is signed.

### → List of documents to go in your rental documentation file

- ☑ Photocopy of your identity document (passport or residence permit)
- ☑ Your student card or school attendance certificate
- ☑ Evidence of your address dated within the last three months if you are already a tenant
- ☑ Your bank details

If you have a guarantor, you also need to provide :

- ☑ Their last three pay slips and employer's reference
- ☑ Evidence of their address dated within the last three months
- ☑ Their identity document
- ☑ Their last tax statement

Warning ! Landlords are not allowed to ask you for the following documents:

- A social insurance card
- A certificate stating that you do not have any loans
- An employer's reference
- A reference from your previous landlord
- A direct debit authorisation
- A certificate showing your marital status
- A cheque to reserve the accommodation (never hand over money before signing the tenancy agreement)
- A personal medical file
- A bank statement
- Demanding a deposit is also prohibited if the rent is paid more than 2 months in advance.

### → Guarantor

The guarantor is another person who can pay your rent if you fail to pay it. That person must therefore have enough income to cover their own costs and your rent.

### I don't have a guarantor, what should I do?

If you don't have a guarantor and you are aged between 18 and 30, you can use the **VISALE** bond scheme. VISALE is a bond put up for tenants by Action Logement, which pays the rent and rental charges for a person's principal residence if they fail to pay.

This bond is **free of charge** and provides reassurance for future landlords. Landlords can still choose whether or not to accept tenants using the VISALE scheme. There is only an obligation to accept this bond automatically in the case of CROUS accommodation.

To apply for it, students from outside the EU must be in possession **of a long-stay visa (VLS-TS) marked 'student' or 'talent passport'**. Students with a short-stay visa cannot apply for the bond. Students from EU Member States must have a student card and a valid passport.

You can apply online at [www.visale.fr](http://www.visale.fr)

You should obtain your VISALE 'visa' (approval) within 48 hours; it is valid for 6 months.

Once you have found your accommodation and obtained your VISALE 'visa', your landlord has 30 days to activate the VISALE bond.

**!**  
**warning**

**DO NOT CONFUSE YOUR VISA WITH THE VISALE 'VISA' (APPROVAL);** THEY ARE TWO DIFFERENT DOCUMENTS. YOUR VISA IS APPLIED TO YOUR PASSPORT BY THE CONSULAR AUTHORITIES AND ENABLES YOU TO COME AND STUDY IN FRANCE, WHEREAS THE VISALE 'VISA' IS A DOWNLOADABLE DOCUMENT THAT MEANS YOU HAVE A GUARANTOR FOR YOUR FUTURE ACCOMMODATION.

## ➤ QUE DOIS-JE FAIRE POUR OBTENIR MON VISA ?

### 1 - J'EFFECTUE MA DEMANDE DE VISA AVANT DE SIGNER MON BAIL

- Je crée mon espace personnel.
- Je renseigne mes informations et télécharge mes justificatifs.
- Je valide ma demande en ligne.
- Je peux suivre mon dossier à tout moment.

### 2 - J'OBTIENS MON VISA

- Après vérification, Action Logement me délivre un visa certifié.
- Je suis informé par mail ou SMS de sa disponibilité.
- Je le télécharge depuis mon espace personnel.
- Je suis attentif à la durée de validité du visa, et au montant de loyer garanti.

### 3 - JE REMETS MON VISA A MON FUTUR BAILLEUR

- Mon bailleur vérifie l'authenticité de mon visa via son espace personnel.
- Il fait sa demande de cautionnement Visale en ligne, et en acceptant ce contrat, il bénéficie d'une garantie gratuite et sécurisée.
- Vous pouvez signer ensemble le bail en toute sécurité.

## 5. Once you have found your accommodation

Congratulations ! But there are still some things you need to do:

### → Home insurance

As soon as you find accommodation and sign the tenancy agreement, you must take out home insurance for your accommodation (see page 29)

### → Check-in inventory

The day the keys are handed over, you must carry out an inventory check of the accommodation with your landlord or letting agency. This is a complete description of the accommodation. It is important to record and describe all visible damage (holes in walls, cracked tiles, etc.) and to keep this document safely until you leave the property.

### → Signing the tenancy agreement

Once the check-in inventory has been carried out, you can sign the tenancy agreement in two copies and collect your keys. Don't be afraid to ask the landlord or letting agency for receipts for the rent you have paid each month. These receipts prove that you have paid your rent and they may be requested for certain administrative formalities, such as banking, insurance, etc.

**Check the names and addresses of the landlord shown in the tenancy agreement, and the notice period for termination.**

## → Utilities

Once you have signed the tenancy agreement, you can start to move in and to sign up for utilities in your name, such as electricity, gas and internet (see page 28). Sometimes utilities are already included in the rent, if you are living in a student hall/residence or you are renting a furnished room in a private house.

## 6. When you leave your accommodation

If you want to leave your accommodation, there are certain things you must do:

### → Notice

You can terminate your tenancy agreement at any time. You request to do so by sending a registered letter with acknowledgement of receipt to your landlord (1 month's notice must be given, except in Montpellier and some neighbouring districts which are areas of high demand (zones tendues)).

### → Check-out inventory

This document is filled in with the landlord on the day you leave your accommodation. You must leave your accommodation in the state it was in when you arrived. It will therefore be compared with the check-in inventory to see whether the landlord can give back your deposit. The landlord may not give back your deposit if the property has not been well looked after.

**If the check-in and check-out inventories are identical, the landlord must return your deposit within one month.**

### → Termination of utilities contracts

Before you leave your accommodation, you must terminate certain utilities contracts such as electricity, gas, internet and your home insurance (this should be done by registered letter with acknowledgement of receipt, enclosing a copy of your check-out inventory).

Also remember to report the fact that you are moving out to CAF and change the address on your residence permit.

## II THE DAY YOU ARRIVE

### A YOUR BUDDY WELCOMES YOU AT THE STATION OR AIRPORT

Welcome to Montpellier !

You will have been able to communicate with your buddy by email before your arrival. They will be responsible for welcoming you at the station or airport on the day and accompanying you to your accommodation.

If your buddy is not available on the day you arrive, contact the scheme representative as soon as possible at:

➤ [filleul.international@lr-universites.fr](mailto:filleul.international@lr-universites.fr) so that another buddy can be there instead.

There is a buddy group on social media so buddies can help each other out where necessary, particularly if a buddy cannot be physically present on the day their buddy partner arrives.

#### → Buddying charter

The buddy makes a commitment to:

- Communicate with their buddy partner before they arrive
- Welcome their buddy partner at the station or airport and accompany them to their accommodation (where possible)
- Help them with certain administrative formalities if they wish (setting up a phone contract, opening a bank account, etc.) and ask for help from the International Buddying team if necessary
- Have a bit of free time between September and October
- Be a good listener, capable of empathy, and able to build trust

The buddy partner makes a commitment to:

- Ask for as much help as they need from their buddy, without abusing the scheme and in order to obtain advice or an opinion, help and support.

## WARNING

DOING SO WILL RESULT  
IN EXPULSION FROM  
THE SCHEME

UNDER NO CIRCUMSTANCES SHOULD BUDDIES:

- ACCOMMODATE THEIR BUDDY PARTNER OR DO THEIR SHOPPING OR ANY ACTIVITY OTHER THAN THOSE SET OUT IN THE ABOVE COMMITMENTS.
- GIVE REFERENCES OR PERSONAL DOCUMENTS TO THEIR BUDDY PARTNER

UNDER NO CIRCUMSTANCES SHOULD BUDDY PARTNERS:

- ASK FOR MONEY OR PERSONAL DOCUMENTS FROM THEIR BUDDY (EVIDENCE OF ADDRESS, IDENTITY DOCUMENT, BANK DETAILS, PAYSIP, ETC.).

## B COLLECTING THE KEYS FOR A CROUS UNIVERSITY HALL OR RESIDENCE

Before you can move into your accommodation, you must make sure your **accommodation application is complete**, and particularly that you have the bond documents.

Once you are there, the procedure for gaining entry differs according to the type of accommodation :

### → University hall

The place where you collect your keys will depend on your arrival day and time.

If you expect to arrive during the opening hours of the secretariat at your hall, you can collect your keys from that office.

If you arrive late or during the weekend, you may be able to collect your keys from the warden's lodge at the hall, provided that you have notified the hall secretariat in advance.

The warden's lodge is open 24/7.

### → University residence

University residences do not have a warden's lodge. You therefore have to collect your keys by appointment during secretariat opening hours.

For any questions :

# III THINGS YOU NEED TO DO WHEN YOU ARRIVE

## A NON-EU STUDENTS: VALIDATING YOUR VISA OR SUBMITTING YOUR FIRST RESIDENCE PERMIT APPLICATION

You are a student from a country outside the European Economic Area (EEA) and you have come to France with a long-stay student visa. When you arrive, there are certain formalities you must complete to validate your visa.

### → Validating your visa

If you have a visa long-stay student 'D' visa marked 'R311-3 6', you must complete the online formalities on an Interior Ministry website to validate your visa within 3 months of your arrival in France. This regularises your stay in France.

To do this, you need :

- ✓ Your email address
- ✓ The information on your visa
- ✓ The date you entered France
- ✓ The address where you are living in France
- ✓ Your bank card for online payment of the fee for the issue of a residence permit (see the portal for other payment methods).

Go to the website ➤ <https://administration-etrangers-en-france.interieur.gouv.fr/particuliers/#/>

A telephone number and email address are available in case you need any help with the process:

Tel. : **0806 001 620**

E-mail : [dgef-support@interieur.gouv.fr](mailto:dgef-support@interieur.gouv.fr)

Once you have paid the fee, make sure you store the confirmation that your visa has been validated in a safe place; it shows your foreign resident number.

The image shows a confirmation document from the French Ministry of the Interior. At the top, it features the French flag and the text 'Liberté • Égalité • Fraternité' and 'RÉPUBLIQUE FRANÇAISE'. Below this, it reads 'MINISTÈRE DE L'INTÉRIEUR'. The main heading is 'Confirmation de la validation de l'enregistrement de votre visa long séjour valant titre de séjour'. The document contains several fields for personal information: 'NOM Prénom', 'Adresse', 'Référence (numéro d'enregistrement dans l'application de gestion des dossiers des ressortissants étrangers en France, à rappeler dans toute correspondance) : 99.....', 'Le .../.../20... vous avez validé votre visa de long séjour valant titre de séjour et payé la taxe perçue au titre de la délivrance d'un premier titre de séjour :', 'Motif : ETUDIANT/PASSEPORT TALENT....', 'Référence réglementaire : CESEDA R311...', and 'Montant de la taxe : ..... €'. ## PAYING YOUR STUDENT AND CAMPUS SERVICES (CVEC) CONTRIBUTION

Since the start of the 2018 academic year, all students doing their first course at a higher education institution have been required to obtain a certificate showing that they have paid their student and campus services (CVEC) contribution. This fee contributes to **support and social welfare, health, culture and sport services for students**.

The contribution is **91 €** and must be paid **before you register for your course**.

If you are registering for several courses, you will only pay this contribution once.

### → Exemption from CVEC

Some students do not have to pay the CVEC, in particular:

- **Students on an international exchange in France** (via programmes such as **Erasmus**): the student is spending a short period of time in France during the academic year under an agreement between their home institution and a higher education institution in France.
- Students on bursaries
- Students who are refugees
- Students who are registered asylum-seekers and have the right to stay in France
- Students registered for a BTS course, accounting training, continuous professional development (work/study and professional training contract), etc.

### → How to pay

The contribution should be paid online ➤ <http://cvec.etudiant.gouv.fr>

Before you register you must:

- 1 - Go to the website: <http://cvec.etudiant.gouv.fr>
- 2 - Say which city you are studying in and pay the CVEC
- 3 - You will then receive a certificate enabling you to prove to your institution that you have paid the CVEC or you are exempt

## WARNING

THIS CERTIFICATE IS A MANDATORY DOCUMENT THAT ENABLES THE INSTITUTION TO CHECK THAT YOU HAVE PAID YOUR CVEC. IT CANNOT PROCESS YOUR REGISTRATION WITHOUT THE CERTIFICATE.

IF YOU ARE EXEMPT FROM PAYING THE CVEC, YOU MUST OBTAIN AN **EXEMPTION CERTIFICATE** FROM THE CVEC ONLINE PAYMENT WEBSITE. WHEN YOU REGISTER AT YOUR UNIVERSITY, YOU MUST PRESENT THIS CERTIFICATE.

## C REGISTERING AT A HIGHER EDUCATION INSTITUTION

## D OPENING A BANK ACCOUNT

Opening a bank account is one of the very first things you need to do on your arrival in France. Opening a bank account means that you can receive money (wages, a bursary, etc.) and pay your bills (electricity, telephone, rent, etc.).

When you open your account, the bank will give you a **credit card**, a **cheque book**, and a document showing your bank account details known as an **RIB (relevé d'identité bancaire)**, which you need to make or receive

**some payments. The RIB** will enable you to register with the medical insurance fund CPAM (Caisse Primaire d'Assurance Maladie) so you can claim back any medical costs, or receive housing benefit from CAF if you are eligible.

For information, opening a bank account from abroad is often prohibited and the majority of French banks refuse to open a bank account for persons coming for a short stay.

### → List of documents you need to open a bank account:

- ✓ A valid identity document
- ✓ Evidence of your address
- ✓ A course attendance certificate
- ✓ A minimum sum of money may be needed to open your account (between 15€ and 50€ depending on the bank)

## 1. List of banks offering special rates for students

You should compare different banks' offers; their charges for ATM cards, international bank transfers and cash withdrawals abroad can vary significantly from one bank to another.

Here are some examples of bank charges:

### → LCL:

Special offer for students of 16 years of age and above: **1 €/year** (in the first year)

– international bank card that can be used anywhere in the world + contactless payment

There are a number of LCL branches and they all offer the same services.

### → LA BANQUE POSTALE:

Offer for 16-25-year olds: **2,98€/month** for 1 year: Visa card + insurance for theft or loss included. You can obtain a prepaid card for travel abroad (so you don't have to pay commission on payments made outside the Euro zone)

### → BANQUE POPULAIRE DU SUD:

The Montpellier Campus branch offers a **referral system for all new and existing customers: an €80 bank gift voucher** is given to all new customers referred by a student who is already a customer. As a thank you, the student who made the referral receives a 40€ bank gift voucher.

The gift voucher entitles you to money off when you buy a product or service from the bank (home insurance, civil liability insurance, bank card, etc.)

Address: **34 avenue Émile DIACON (Université des Sciences et des Lettres tram stop, line 1)**  
**and 737 route de Mende (St Éloi tram stop, line 1)**

There are specially-trained bilingual advisers to help international students with any questions.

## 2. Online banks

There are a range of online banks offering cheaper services than the traditional banks.

However, the conditions for opening an account if you are a student are quite difficult to meet. Generally, they do not accept people opening their first bank account and sometimes, they have income conditions.

Two examples of online banks that may be of interest are :

### → NICKEL:

This is an alternative French banking service open to everyone; it is not conditional upon income and does not offer overdrafts or credit. The concept ? **1 account, 1 card, 1 RIB for 20€/year.**

To open an account, simply fill in the online form and collect the card and RIB from a retail outlet (generally a tobacconist).

➤ [www.compte-nickel.fr](http://www.compte-nickel.fr)

### → MONABANQ:

This bank offers a current account with a bank card and cheque book. There are no income conditions and you can send bank transfers abroad for **24€/year.**

However, you must be aged 18 or over, already living in France and deposit 150€ to open your account.

## **E** HEALTH

### 1. Social security

In France, joining the social security scheme is **free of charge but mandatory** for all French and non-EU foreign students.

It enables you to **claim back 70% of your medical costs.**

#### If you are an EU national

You do not need to join the French social security scheme if you have a European Health Insurance Card (EHIC) or a temporary certificate.

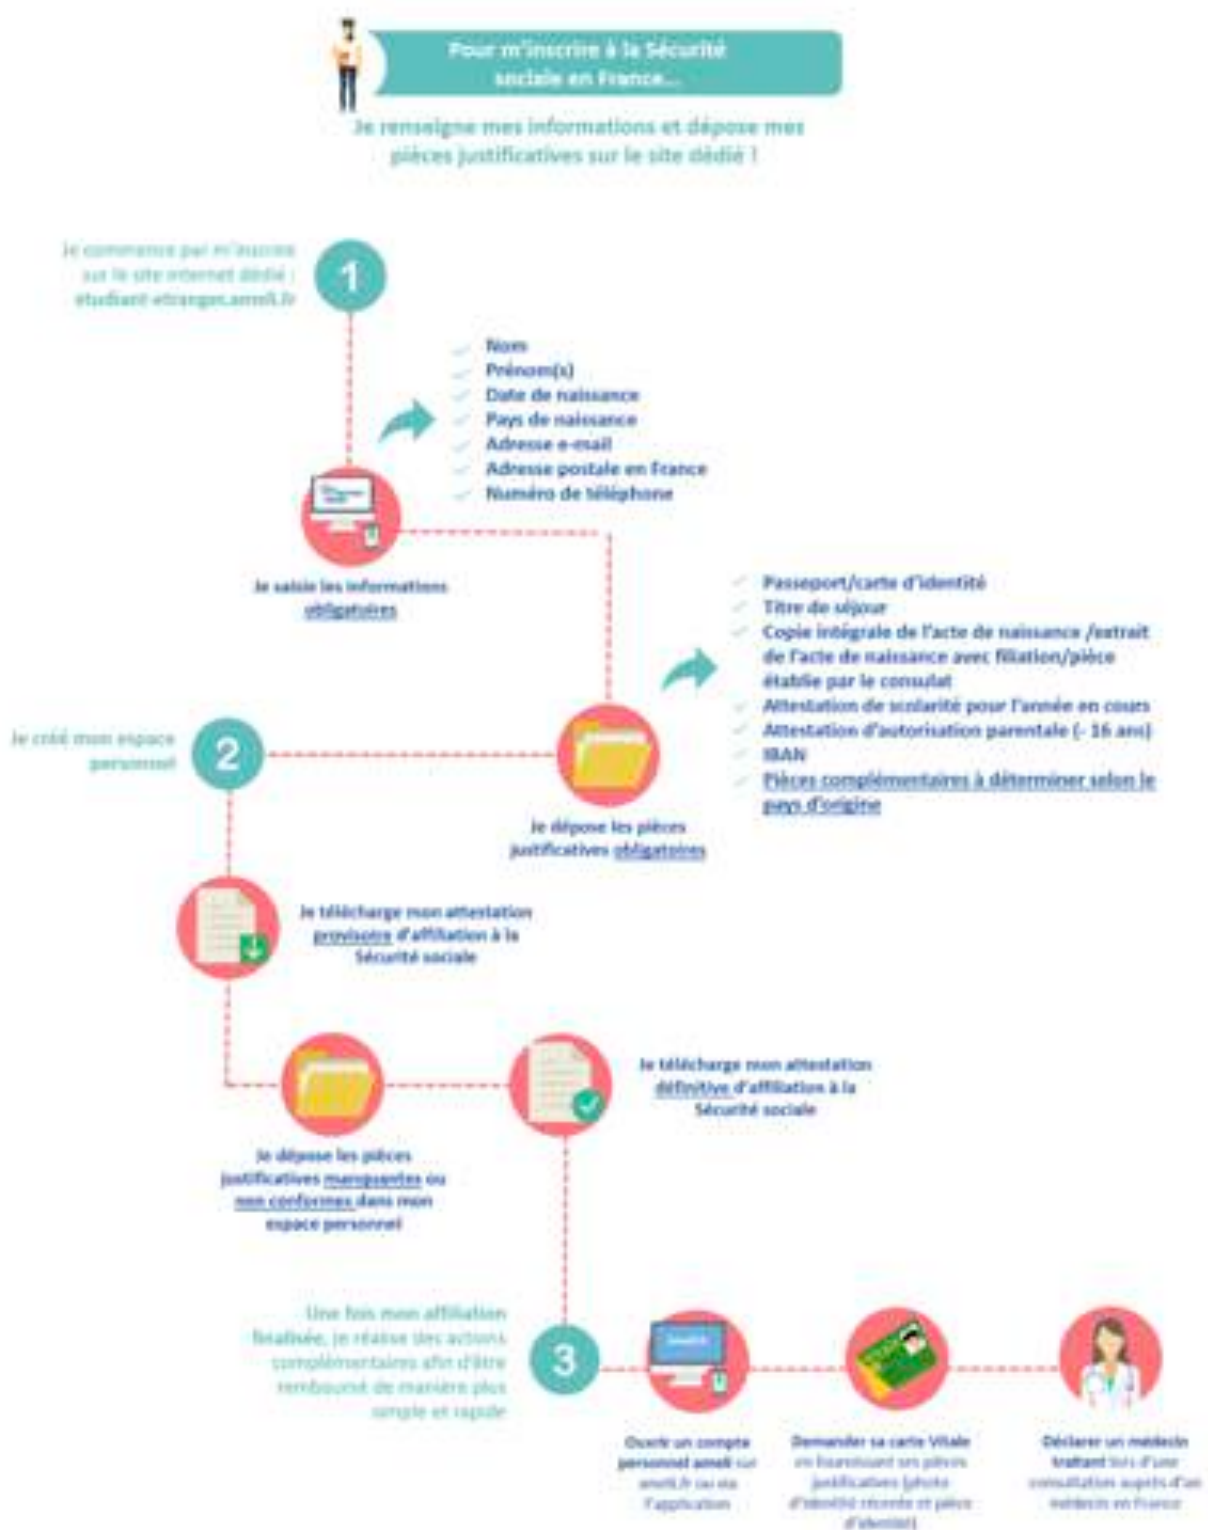

The card makes it easier if you need to see a doctor or go to hospital. You will either not have to pay any costs or you will be reimbursed when you return home, depending which country you are from. It is free of charge and you apply for it from your country's health insurance fund. The card is valid for one year.

If you do not have an EHIC card, you must join the social security scheme.

## → How to join

Register on the website ➤ <https://etudiant-etranger.ameli.fr/> in 3 steps:

1. When you register, you will receive a **temporary certificate showing** your provisional social security number.
2. To obtain your **permanent scheme membership certificate** you need to resubmit the documents in your file :
3. You can then open an account on ameli.fr and apply for your Vitale card !

## 2. Extra cover

Social security reimburses 70% of your medical costs **you still have to pay 30% !**

You do not have to sign up to a mutual fund but because medical costs in France are very high, we recommend that you join a fund so you can claim back the full amount.

Find out more from the traditional student funds, insurance companies or even your bank. It is worth obtaining several quotations to compare because prices and options vary from one fund to another.

These are the two mutual funds used most often by students:

- MEP: [www.mep.fr](http://www.mep.fr)
- LMDE: [www.lmde.fr](http://www.lmde.fr)

If you don't know which doctor or specialist to go to, since 2016, ComUE LR-Universités has made it easier for all students in Montpellier to access healthcare through the CSU.

It enables **all students** to:

- Consult general practitioners, specialists (gynaecologists) and psychologists.
- Enjoy **100% coverage of costs** (no upfront fees to pay on presentation of their student card, Vitale (healthcare) card and evidence of extra medical insurance)
- Access a **treatment pathway adapted to their specific** needs (need for medical advice, psychological support, guidance with finding the right help, links with social workers, etc.)

## F SETTING UP A PHONE/INTERNET SERVICE

In France, telephone numbers have 10 digits

To call France from abroad, you need to dial:

**00 + 33 + the number of the person you are calling without the first zero**

To call abroad from France, you need to dial:

**00 + country code + number of the person you are calling**

There are lots of telephone companies in France. Most offer complete packages:

- Mobile phone
- Landline
- Internet
- Television

Depending on how long you are staying, you need to check the length of contract. Choose a package that suits you (pay-as-you-go or contract).

Contracts generally last for **12 to 24 months**.

### → Which package should I choose?

The main operators in France are **SFR, ORANGE, BOUYGUES and FREE**. Each operator has sub-branches that offer special rates for students and pay-as-you-go.

Here are some examples of pay-as-you-go offers (warning – these offers are subject to change on a regular basis):

- **RED by SFR : 10€/month**, unlimited calls/texts (even from Europe), 30 GB of 4G data, including 4GB usable in Europe

- For direct debits: an RIB or a SEPA Direct Debit mandate (for Europeans)

## G APPLYING FOR HOUSING BENEFIT FROM CAF

CAF (Caisse d'Allocations Familiales) is a French public body that pays out family benefits such as housing benefit.

Housing benefit pays part of your rent.

The amount of this benefit is calculated on the basis of:

- Your personal situation (if you are a student, sharing, living as a couple, single, on a French government bursary, etc.)
- Your means
- Where you live
- The amount of your rent (without charges)

There are 3 types of housing benefit:

- **APL** : if your housing is subsidised by the State (e.g. accommodation in a **university hall**). APL is always paid to the landlord (owner, housing association, university hall, etc.)
- **ALF** : only for couples married for less than 5 years (provided that they married when both spouses were aged under 40) or with dependent children.
- **ALS** : for anyone not eligible for APL or ALF.  
This benefit is paid direct to the tenant but it may be paid to the landlord if the landlord requests this.

You cannot receive more than one of these benefits. CAF will decide which benefit you are entitled to based on your application.

### → Eligibility conditions :

- The **tenancy agreement must be in your name** (even if you are sharing or subletting)
- Your accommodation must be of a **decent** standard with a minimum comfort level (window, drinking water, electricity) and it must be at least **9m<sup>2</sup>** (16 m<sup>2</sup> if you are living with someone else and +9 m<sup>2</sup> per extra person).
- You must first **open a bank account in France** (RIB)

### → When should I apply for housing benefit and when will it be paid?

You are advised to apply **as soon as you move** in because it takes **2 to 3 months** for payments to start.

Your entitlement to housing benefit starts the month after you move in.

For example, if you move in on 10 September, your housing benefit entitlement will begin in October and payments will start on 5 November (ALS) or 25 October (APL).

> **Non-EU foreign nationals** : You don't have to wait for your residence permit to be issued before you apply. Once you have your residence permit, you can receive benefits for the previous months if you applied for them as soon as you moved in.

## → How do I apply for housing benefit?

Housing benefit applications can only be done on the CAF website:

➤ [www.caf.fr](http://www.caf.fr)

Go to the website, and have the following to hand:

- ☑ Your tenancy agreement
- ☑ If you live in accommodation run by CROUS, you need to obtain your 'CAF document' from the reception of your residence.
- ☑ Your RIB

1. Go to the 'Mes services en ligne' section, then 'Faire une demande de prestations'.
2. If you have just arrived in France, click on the 'Vous n'êtes pas allocataire' section.
3. Go to the 'Logement' section, then 'Faire une demande'
4. You will be asked for the postal code of the département where your place of residence is situated. This number has 5 digits and is shown in your address next to the name of the city where you live (e.g. 34000 for Montpellier)
5. A declaration of income (in France or abroad):
  - > If you have no income: tick the 'no income' box
  - > If you have a bursary under the Erasmus programme or from the French government: you don't have to declare it

## → What supporting documents do I need to send to CAF?

The supporting documents you need to submit will be requested once you have finished filling in your housing benefit application.

You can submit electronic copies of your supporting documents at sur [www.caf.fr](http://www.caf.fr) in the **Mon compte** area, or using the Caf-Mon compte mobile app.

The supporting documents required vary depending on your nationality:

### - If you are a national of the EU, the EEA or Switzerland:

- ☑ Evidence of educational attendance in France
- ☑ Copy of your European Health Insurance Card
- ☑ Your birth certificate translated into French

### - If you are not a national of the EU, the EEA or Switzerland:

- ☑ Your birth certificate translated into French
- ☑ A copy of your visa or residence permit with **validity of more than 4 months**, valid for the current academic year.

**PLEASE NOTE** if your visa is marked 'dispense temporaire de séjour', you are not eligible for housing benefit.

## H UTILITIES CONTRACTS

As soon as you move in, you must sign up for electricity, gas and water contracts **unless these are included in your rent. If you are living in CROUS accommodation, you don't need to do anything** because all these costs are included in your rent.

Before you move into your accommodation and the check-in inventory is performed, there are some questions you should ask your landlord or the letting agency:

- **Is the property heated by gas or electricity?**
- **Is the cost of water included in the rent?**
- **Were the old meters cut off after the previous tenant left?**  
As a precaution, take readings from the water, electricity and/or gas meters when you move in.
- **Who were the previous energy suppliers?**  
Using the same suppliers as the previous tenant makes administration easier.

## → Choosing energy suppliers

There are currently around twenty electricity and gas suppliers in France.

The ➤ [www.energie-info.fr](http://www.energie-info.fr)

website compares national gas and electricity prices so you can use it to explore in detail the offers of different suppliers.

**Énergie-info** has a telephone helpline for consumers: advisers are available on **0 800 112 212** (freephone service available Monday to Friday from 8.30 a.m. to 6 p.m.) to answer any questions and explain what to do.

## Energy-saving tips

The cheapest energy is the energy you do not use. So the easiest way to cut your energy bills is to save energy! Remember to turn off lights and electrical devices when you leave the room, set the temperature at a sensible level and turn off the heating when you go out, take shorter showers and don't leave taps dripping...

## I INSURANCE

In France, home insurance and civil liability insurance are **mandatory**. Insurance companies but also some banks and student unions offer this type of insurance. Find out more from your reference organisation before you buy.

### 1. Home insurance

Whether you are living in university accommodation or renting a furnished or unfurnished property, buying a home insurance policy is mandatory. Landlords almost always require it.

Insurers offer various packages at different prices, but you must insure against the following as a minimum:

- Fire
- Water damage
- Theft
- Glass breakage, etc.

Examples of cost:

- **LA BANQUE POSTALE** : offer restricted to those aged 18-29, **60€/year for a studio or 96€/year** for a 1-bedroom flat
- **MAE** : offer restricted to students/**discount for new customers: 43.60€/year** for a rented room **69,60€/year** for a studio or **89,90€/year** for a 1-bedroom flat + civil liability included
- **AXA** : offer restricted to students under 30 years of age, **39€/year** for a rented room, **70€/year** for a studio or **93€/year** for a 1-bedroom flat.

### 2. Civil liability

This insurance covers you **for any injury you might cause to a third party**.

We recommend that you take out civil liability insurance from the same insurer as your home insurance to avoid extra administrative hassle.

Sometimes civil liability is included in multirisk home insurance policies.

## 1. Income tax

### → As a foreign student, do i have to declare my income?

In France, some income has to be declared and other income does not.  
If you declare income, it doesn't necessarily mean that you will have to pay tax on that income.

**CAUTION:** Even if you don't have to pay tax, you still have to complete a tax return so that you can obtain a non-taxation notice. You need this document to complete certain formalities and to claim residence tax relief.

### → How to complete a tax return

To complete a tax return, you first need to apply for a tax number from your local public finance office (individual tax service) at the counter or using a form available in the 'Contact' area of the website:

➤ [www.impots.gouv.fr](http://www.impots.gouv.fr)

> « Vous êtes particulier » > « Votre demande concerne l'accès à votre espace particulier » > « Je n'ai pas de numéro fiscal »

Once you have created an account, you can use the online tax return service.

Each year, remember to visit [www.impots.gouv.fr](http://www.impots.gouv.fr) in April to find out the exact dates for submitting online or paper tax returns. When you submit a tax return online you can also opt to receive your tax statement electronically.

Since January 2019, income tax has been deducted at source, i.e. direct from your pay.

### → I HAVE TO DECLARE

- The income from my student job if I was aged 26 or older on 1 January 2018
- The income from my student job if I was aged under 26 on 1 January 2018 and I earned more than 4400€ (3 times the minimum wage (SMIC)) in 2018
- Study bursaries granted for specific work or research
- Ex gratia (goodwill) payments received during an internship or pay received under an apprenticeship contract if and only if the amount was more than 17,982€ in 2018
- Any income received under a professional training or qualification contract
- The income of non-resident students and interns in medicine or pharmacy

## → I DO NOT NEED TO DECLARE

- Means-tested bursaries
- Ex gratia (goodwill) payments received during an internship if they did not exceed 17,982€ in 2018
- The income from my student job if I was aged under 26 on 1 January 2018 and I did not earn more than 4400€ (3 times the minimum wage (SMIC)) in 2018
- Pay for work-study (apprenticeship contracts), if and only if the amount is no more than 17,982€ for 2018
- Compensation paid for a civic service
- Compensation paid for volunteering

## 2. Residence tax

If you have accommodation on 1 January of a year, you must pay residence tax in November of that year for your accommodation, and the television fee if you have a television.

This tax does not apply to you if you are living in university accommodation run by CROUS or a university residence or if you are renting a room in someone's home.

**You do not have to file a tax return for this tax.**
